**Foreign language requirement: Two upper-level (3000-4000 level) Spanish classes are required Bilingual certification and degree. All lower-level Spanish courses (SPAN 1501, 1502 (or 1507), 2301, and 2302) must be completed through CLEP, summer school, or transfer credits in order to complete this degree in four years.

**Years three and four consist of education block courses (except MUSI 2301)- these courses must be taken in the order (semester and year) that they are presented, with no exceptions. No classes of than the ones listed may be taken in the spring semester of the fourth year- 12 hours of student teaching and Capstone only.

**The above 8-semester plan does not include summer sessions. Fewer hours can be taken in the first two years if summer session are taken.
