

4-YEAR GRADUATION PLAN FOR MD S 4-8 MAJORS

MATHEMATICS/SCIENCE

FIRST YEAR

Fall (16 hours)

ENGL 1301
MATH 1320
HIST 2300
POLS 1301
ASTR 1400 (4 hours)

Spring (16 hours)

ENGL 1302
COMS 2300/1300/3358
ATMO 1300 & 1100 (4 hours)
POLS 2302
MUSI 2301 (or ART, TH A, etc.)

SECOND YEAR

Fall (17 hours)

PHYS 1403 (4 hours)
BIOL 1401 (4 hours)
MATH 2370
ANTH1301
EDSE/EDEL 2300

Spring (17 hours)

BIOL 1402 (4 hours)
ENGL 23 __
MATH 2371
HIST 2301
CHEM 1305 & 1105 (4 hours)

THIRD YEAR – BLOCKS I & II

Fall (16 hours)

EDCI 3320
EDIT 3318
EPSY 3331
GEOL 1303 & 1101 (4 hours)
MATH 3370

Spring (15 hours)

EDCI 3370
EDCI 3375
EDLL 3353
ENGL 23 __
MATH 3371

FOURTH YEAR – BLOCKS III & IV

Fall (16 hours)

EDBL 3205
EDCI 4375
EDLL 4381
EDSP 3205
MATH 4370
MATH 4371

Spring (12 hours)

EDEL 4000 (9 hours)
EDCI 4325

Foreign language requirement: If you have taken **less than 2 years of the same foreign language in high school, two semesters of the same foreign language will be required for an MD S degree. It is suggested that, if necessary, one foreign language course be taken in the fall of the second year and the other in the spring of the second year.

**The Education Block courses in Years III and IV, must be taken in the order (semester and year) that they are presented, with no exceptions. You must complete all your coursework before taking Block IV because no other courses may be taken with this block (student teaching and Capstone – 12 hours).

**The above 8-semester plan does not include summer sessions. Fewer hours can be taken in the first two years if courses are taken during summer sessions.
