PRESS RELEASE

Floydada I.S.D. is inviting all media to join in the celebration of the student “Roll Out” for our Technology Immersion Pilot Program at Floydada Junior High School. Every student will be receiving a new Apple iBook computer for his or her use, 24-7. Floydada Junior High is one of 22 schools selected across the state of Texas and one of 3 from Region 17 to receive the Technology Immersion Pilot (TIP) grant. Floydada Junior High received a grant totaling \$380,000.00 to provide laptop computers for every student and staff member at Floydada Junior High. Expectations from the project will be that the technology availability to students and staff members will have a great positive impact on student learning and success.

Floydada Junior High is expecting visits from many individuals on October 6, 2004, including area Representatives and Senators, as well as representatives from Apple Computer and Texas Tech University. Texas Tech University College of Education is a partner with Floydada Junior High in the Technology Immersion Pilot (TIP) grant.
